	Step 2: ATTENTION DoD SUPERVISORY REVIEWERS! The checked language will appear as a comment of record on the report. DoD regulations require financial disclosure filers to receive prior approval for any business activity or compensated outside employment with a prohibited source. Such activities must appear on the OGE 450 report of DOD employees, and you must check the box below to indicate that approval has been granted. If prior approval was not granted, contact an ethics official located in your organization's legal office. Non-DoD personnel should comply with their organization's policies. Any business activity or outside employment listed by the filer on this report that was required to receive approval per departmental or agency policy, received the required approval. Annual Profile Updates

A new feature was added to FDM that requires to update their user profile details annually. Once a year, an automated script redirects the user to the View Profile screen and a prompt directs the users to update their profile details. A user is not allowed to proceed to another screen until they click the Confirm and Save button.

FDM-10569 - DataTable Warning and Put 500 Server Error after clicking <Search> on Manage Exceptions as 450C AND Super-Ind for Year=2019

FDM-10927 - As an Ethics Official I would like the following additions for the Timely Filing & Certification Metrics Report

FDM-10972 - As an Ethics Official I would like the following "Training Type" column be added

FDM-10982 - Agency update does not save in the User Profile

FDM-11007 - Clicking the Line items links before the page fully loads creates a malformed URL

FDM-11262 - Improve consistency across loading screen.

FDM-11407 - Opening Profile screen for user with ONLY 450Filer_Assist role displays screen with NO fields populated AND displays App Error.

FDM-11411 - Tool Tip displayed for <Initials> button ONLY displays text="Profile for". It should display text= "Profile for {FirstName} (MI}. {LastName}".

FDM-11425 - Clicking <View/Edit> action button on Flags screen for Asset Type = Life Insurance > Variable incorrectly displays popup stating, "In the Asset Name text box, you MUST include the Insurance Company name".
